LETTER FROM THE PRO VICE-CHANCELLOR AND PRESIDENT

Since it commenced in 2008, Curtin Singapore has developed a strong presence in the region with a justified reputation for delivering quality tertiary education. Curtin Singapore is a campus of one of Australia's leading universities. In 2022, Curtin University was ranked in the top 1% universities in the world by the Academic Ranking of World Universities. It is in a unique position to draw on over 30 years' teaching experience in the international marketplace. This experience, coupled with its large scale, its high-impact research and its strong industry partnerships give it a clear advantage in being able to provide access to high quality education in one of the most vibrant and exciting cities in the world.

Curtin Singapore strongly believes in providing an engaging student experience that is designed to maximise student learning. Thus we have an optimum teaching ratio of 30 students to one lecturer for tutorials, 60 students to one lecturer for small lecture/seminar and 250 students to one lecturer for mass lectures.

By ensuring excellence in teaching and a supportive, enriching and enjoyable environment for our students, we are able to provide a tertiary education that meets the highest academic standards. A Curtin University degree is well regarded in the region and is a valuable asset for any new graduate.

Students are enrolled in a range of pathway, undergraduate and postgraduate courses which have been specifically designed to equip them with the practical knowledge and skills they need in a global marketplace. Curtin University graduates are known for their ability to 'hit the ground running' and are sought after by employers.

If you are looking for a tertiary qualification with a sound reputation, the backing of one of Australia's most experienced universities in the international marketplace and staff that understands the issues and concerns of students, then I invite you to consider our campus at Curtin Singapore.

Our vision

Working in partnership we will make a difference for people and our planet.

Our strategic positioning

Curtin Singapore is the globally recognised, regionally relevant university of choice for students, staff, and our communities.

Our core values

Integrity - to act ethically, honesty and with fairness

Respect - to listen, value and acknowledge

Courage - to lead, take responsibility and question

Excellence - to strive for excellence and distinction

Impact - to empower, enable and inspire

Professor Linley Lord

Pro Vice-Chancellor and President

Curtin Singapore
