

Use your knowledge of psychology to help resolve issues in the workplace, recruit and engage employees, and improve individual and team performance.

ABOUT THE DEGREE

This degree is designed to provide an appreciation of both the scientific discipline of psychology and of the human resource management profession. This combination provides you with a highly marketable knowledge base which allow you to pursue a successful business careers. As a graduate of this course, you will have the necessary skills to work in human resource management, health and community services, employment and training, welfare agencies, labour market industry and development both in government and private enterprise.

Learn about perception, cognition, emotion, personality, behaviour, and interpersonal relationships and how psychologists examine, explain and predict what people do as individuals and in groups.

In addition, learn Management & HR theories and practices, Organisational Behaviour,Industrial relations, Recruitment & Training, Performance and Conflict Management

STUDY AND CAREER PATHWAYS

IN PSYCHOLOGY: Graduates who wish to pursue a career in Psychology will need to study further. In most countries a specialized Master's program and supervised internship in a psychological setting are required to obtain registration and license to practice. (Refer to BSc Psychological Science Factsheet for further information)

IN BUSINESS: Graduates who wish to work in Business can undertake further post-graduate studies in HR, Business Administration or International Business

PSYCHOLOGISTS MAKE A DIFFERENCE IN THE WORLD!

- Conduct Research
- Apply Science
- Provide Health Care
- Teach and Study Learning
- Promote Community and Individual Well-Being
- Advise Business, Industry, and Policymakers

ABOUT CURTIN UNIVERSITY

Curtin University is an innovative, global university, with campuses in Perth, Mauritius, Dubai, Singapore and Malaysia. We are known for our high-impact research, strong industry partnerships and commitment to preparing students for jobs of the future.

Curtin is ranked in the top one per cent of universities worldwide in The Academic Ranking of World Universities (ARWU) 2023 and has received a five star plus rating in the QS Stars University Ranking 2022.

The university is ranked below 100 worldwide in the following 7 areas:

Mining and Mineral Engineering, Hospitality and Tourism Management, Earth Sciences, Chemical Engineering, Nursing, Remote sensing and Education.

COURSE ESSENTIALS

BACHELOR OF SCIENCE PSYCHOLOGICAL SCIENCE AND HUMAN RESOURCE MANAGEMENT

Course entry requirements

- · Mathematics is highly recommended
- Satisfy the minimum academic entry requirements (refer to entry information sheet)
- Meet the minimum English competency level (refer to entry information sheet)

Note

Candidates who do not meet all entry requirements can enrol on the Foundation Programme in order to gain admission to the BSc degree

Duration

The programme is run over four years (eight semesters)

Application procedures

Candidates must complete the application form available at Curtin Mauritius Future Students Centre and must submit relevant copies of the following documents:

- Copies of educational qualifications
- Two passport size photographs
- Copy of National Identity Card and Birth Certificate

(The originals of the above documents are needed for certification purposes)
