

Curtin Mauritius

MASTER OF SCIENCE IN APPLIED PSYCHOLOGY

Become a professional in your field: Advance your applied psychology skills and complete your professional psychology training.

ABOUT THE DEGREE

The Master of Science in Applied Psychology provides a 5th year qualification to students who have successfully completed the 4th year Curtin Graduate Diploma in Psychological Science (or equivalent). It provides an essential transition from the theory-based undergraduate degree program to an application-oriented postgraduate training in Psychology and prepares students for professional practice. This program constitutes the final year of a 5-year master's level pathway and includes a supervised fieldwork component.

STUDY AND CAREER PATHWAYS

On completion of this master's students will be able to:

- Register as Professional Psychologists with the AHPC
- Coordinate and evaluate psychological interventions projects in profit-making as well as in non-profit making organisations
- Conduct psychological assessments which measure cognitive ability and susceptibility for psychological disorders
- Provide counselling services to a diverse set of individuals
- Conduct quantitative and qualitative research as academics
- Be eligible for enrolment in PhD programs

PSYCHOLOGISTS MAKE A DIFFERENCE IN THE WORLD!

- Provide Mental Health Care
- Conduct Research and Apply Science in their Practice
- Study and teach different aspects of Human Behaviour
- Promote Community and Individual Wellbeing
- Advise Communities, Business, Industry, and Policymakers
- Do Advocacy Work Around Social Justice Issues
- Assess the Cognitive and Emotional Functioning and Competency of Individuals
