BACHELOR OF SCIENCE (NURSING GLOBAL)

If you are a compassionate person who wants to develop the contemporary knowledge and skills required to become a registered nurse who can impact people's lives and health systems locally and globally, then this course is perfect for you.

ABOUT THE DEGREE

This course provides a wide-ranging program of simulated clinical-practice and clinical placements, advanced clinical skill development, biological, behavioral, and nursing sciences, and the opportunity for an international study experience.

Your studies will focus on developing the skills and knowledge you'll need to meet the demands of the fast-changing healthcare systems around the world. You will be encouraged to be an active, contributing member of an interprofessional healthcare team, which will give you the opportunity to study with different nursing and medical specialists in a range of specialized fields.

You will gain strong, practical skills by completing a minimum of 1200 hours of clinical placements in hospitals, private clinics and community health settings.

COURSE RECOGNITION AND STUDY PATHWAYS

This course is accredited by the Mauritius Nursing Council (MNC).

BSc (Nursing Global) alumni can also proceed with a large variety of post graduate and Masters Programs in Nursing.

PROFESSIONAL RECOGNITION

Graduates can apply for registration to become a Registered Nurse with:

- The Mauritius Nursing Council
- Other international Nursing Registration bodies
